

# EAGLE\* CORRECTIONS

ADVANCED CORRECTIONAL FACILITY MANAGEMENT SOFTWARE

## • GO BEYOND STANDARD CORRECTIONS SOFTWARE

Eagle\*Corrections is a cutting-edge correctional facility management solution designed with input from Georgia-based facilities. It provides a complete suite of tools to efficiently manage prison inmates, staff, and facilities.

## • WHY CHOOSE EAGLE\*CORRECTIONS?

Eagle\*Corrections offers a comprehensive correctional facility management solution that simplifies operations, enhances real-time monitoring, and integrates seamlessly with third-party services. With an intuitive and customizable interface, staff can efficiently oversee inmates, facility updates, and essential services—all in one place.

## • THIRD-PARTY SERVICES AND HARDWARE

Additional interfaces may be quoted for third-party services such as commissary, phone, etc., to provide an optimized workflow within the system. Quotes may also be provided for hardware such as mugshot cameras, badge printers, and more.
