JAIL MANAGEMENT SYSTEM

A SMARTER, SAFER, JMS SOFTWARE SOLUTION.

• ABOUT EAGLE ADVANTAGE SOLUTIONS

Headquartered in West Georgia (Carrollton), we are one of the state's largest public safety software providers servicing law enforcement, courts, schools, and more. In addition to our Jail Management software solution, we offer Records Management, Mobile software, Crime Mapping, Live*Scan Fingerprinting solutions for submissions to GBI and FBI for background checks, and County Correctional software.

• WHAT IS EAGLE*ADVANTAGE JMS?

Eagle Advantage Solutions, Inc., Jail Management System (JMS) is a comprehensive software solution that simplifies inmate booking, tracking, facility operations, and administrative tasks. Among the many built-in features of Eagle*JMS are bonds, bond payments, jail alerts, doctor and dental visits, medication schedules and logs, inmate activity, and mail tracking. Facility operations include such features as housing management and housed inmate billing. Our JMS also offers various interfaces that can be integrated with other applications managing inmate phone, commissary, health, victim notifications, etc.

• USER-FRIENDLY

Eagle*Advantage JMS provides the user with a streamlined Jail Management System that any agency can operate. The ease of use is unlike that of most systems. In addition to the user-friendly day to day functionality, our JMS is fully integrated with Eagle*Advantage RMS allowing your team seamless inmate record access when needed.
