

ADVANCED SOFTWARE SOLUTIONS

Comprehensive software
for law enforcement and
governmental agencies.

Eagle Advantage Solutions is committed to providing superior service and support from project inception to completion and beyond.

TRAINING

EAS will train and equip your administrators to lead effective training sessions for end users. Training includes customized hands-on practice and real-world scenarios.

INSTALLATION AND TESTING

EAS provides skilled technical experts to set up and install software and hardware, and all software is thoroughly tested prior to release.

SOFTWARE UPDATES

EAS engineers continually improve our software with the end user in mind. Updates are implemented automatically to all network users.

ONGOING SUPPORT

You can depend on EAS to provide responsive customer support. Our knowledgeable staff is available 24/7.

Contact Eagle Advantage to learn how we can help you, or visit our website.
